

BRIDAL

pricing & booking

hey beautiful

i'm sarah! your bridal bestie, wedding day hype girl and lover of all things glam.

it means so much to me to play a part in someones wedding day and i do not take that privilege lightly. that's why i am constantly working on ways to give my clients the best possible experience and to always be learning!

i specialise in modern, on-trend and natural glam hair and make up so if you want the glam without the cakey-ness then i'm your gal. my aim is always that anyone who sits in my chair would feel beautiful but more than that, they'd have a deep knowing that their beauty ultimately has nothing to do with the way they look.

i am so honoured to be considered a vendor for your special day and hope we get to work together to create something magical.

love & light
sarah *xoxo*
